TERMS AND CONDITIONS

A. Organization by: 2R Tour & Sport

B. A authorization by Provincia di Venezia n. 2427 Sept. 05th, 2014

C. 2R Tour & Sport is covered by an insurance policy Axa Insurance S.P.A. n° 50721.

The proposed tour packages are regulated by the general conditions contract and governed by the International Convention signed in Brussels on the travel contract (CCV) on 23.4.1970 and Legislative Decree 111 of 17/03/95 Implementation of Directive 90/314 / EC, as amended. Below a summary of the most important conditions:

1) Booking The booking request must be made on the appropriate application form provided by the Agency which must be completed in full and signed by the customer within the specified deadlines. Acceptance of booking is complete, with consequent conclusion of the contract, only when the organizer sends confirmation, even by telematic or fax system.

Your signature on the booking-form confirms your acceptance of the Terms and Conditions for and on behalf of all the members of your group and the person who signs the booking-form accepts responsibility for payment for all the persons in the group and is responsible for keeping all members informed as to booking details.

Information about the package not contained in the contract documents, brochures / catalog will be provided by the Organizers in fulfillment of their own obligations as the Legislative Decree 111/95 in good time before the beginning of the journey (such as program games, tournament rules, Hotel name, etc ...)

2) Payment With your registration you have to make a down-payment in the amount of Euro 1500,00 per team. The balance of the tournament price less the down-payment already received must be paid no later than 1 month prior to the departure date for all tours. All bookings made within 1 month before departure must be paid in full at the time of booking. If you do not pay the full cost by four weeks prior to the departure date, we reserve the right to treat your booking as a cancellation.

3) Prices The price is stated in the contract or in the cost statement and depends on the catalogue or any subsequent changes. We reserve the right to make changes and to correct errors in advertised prices within 20 days prior to the departure in the following circumstances. (A) transportation, including fuel cost

(b) duties and taxes on certain types of tourist services such as landing fees, landing or boarding in ports and airports

(c) Exchange rates applied to the package costs.

For these changes we will refer to the exchange rates

and to the costs mentioned above in effect on the date of publication of the program as herein reported in the catalog or on the date of any updates above.

Within 30 days of the start of the tournament we reserve the right to calculate an extra fee of 25 EUR for each change you want to make to your reservation (eg. housing, number of participants, etc.)

4) Variation/Cancellation by the customer the consumer may withdraw from the contract without paying penalties in the following assumptions: • the price increase referred to art. 3 exceeds 10% • significant modification of one or more elements of the contract objectively fundamental in the tourist package proposed by the organizer after the conclusion of the contract but before departure and not accepted by the consumer. In the cases above, the consumer has the right: • to take advantage of an alternative package • a refund only of part of the price already paid. Refund must be made within ten working days of receipt of the refund request. The consumer must communicate his decision (to accept the modifications or not) no later than two working days from the time in which he received the notice of increase or modifications. In absence of express notice within such period, the proposal made by the organizer is considered accepted. A GROUP who withdraws from the contract prior to departure, outside those listed in the first paragraph will be charged-regardless of the payment-in addition to the individual cost of opening fee, the penalty in the following sizes:

10% of the participation fee from enrollment to 45 calendar days before departure;

30% of the price from 45 to 30 calendar days before departure;

60% of the share of from 30 to 11 days before the participation of calendar departure;

no refund after such terms.

CANCELLATION POLICY for single traveler:

30% fee penalty from da 30 to 15 days before accommodation start

60% fee penalty from 14 to 5 days before arrival

100% fee penalty from 4 days before arrival

5) Variation/Cancellation by us before departure If, before departure, the organizer communicates in writing its inability to provide one or more services covered by the package, proposing an alternative solution, the consumer may exercise the right to regain the amount already paid or to enjoy the offer of a replacement package tour proposed.

The consumer can exercise the rights provided above even when the cancellation depends on the impossibility

to achieve the minimum number of participants expected in the program, or in cases of Force Majeure beyond our control, related to the tour package purchased. 5 a) Force Majeure- our organization accepts no liability in case of damage or expenses due to changes or of Your tournament, if it is attributable to circumstances that could not be foreseen or avoided in any way.

These causes include, for example, the state of war, the threat of war, riots, terrorist attacks, natural disasters or nuclear disasters, technical logistic problems, fire or adverse weather conditions, or other similar events beyond our control. Our organization does not accept responsibilities for you and your group if you contravene any laws or regulations of any of the countries visited during your tournament.

6) Obligations of the participants Participants must have a valid document for all visited countries, as well as stay and transit visas and health certificates that might be required. They must also observe the rules of normal prudence and diligence and those in force in the countries of destination, information provided to them by the organizer, as well as the regulations relating to the touristic package. Participants will be liable for all damages that the Organizer may suffer because of their non-fulfilment of the above-mentioned obligations. The consumer must provide to the Tour Operator all relevant documents, information and elements in its possession to exercise the right of subrogation against third parties responsible for the damage and he is responsible of the injury caused to the organizer to the right of subrogation. The consumer will communicate in writing to the Organizer at the time of booking, any special personal requests that may be subject of agreements on the travel arrangements, in case implementation is possible. The consumer can also make a complaint by sending a registered letter with acknowledgment of receipt, to the Organizer or to the Seller no later than 10 working days from the date of return.

8) For all matters not specified in this contract, are applied the rules disciplined by the International Convention relating the travel contract (CCV) signed in Brussels on April 23rd 1970 and by the Decree Legislative n. 111 of March, 17th 1995 implementing Directive 90/314 / EC and subsequent modifications.
